

## **Annual Luncheon with Keynote Speaker Nicole Hockley**

May 31, 2018 ~ 11:30am-1pm

The Burney Center at UNCW

Your support of our luncheon in the past has made a huge difference in the lives of those we serve! You have made it possible to say 'yes' to one more vulnerable child, family or adult that urgently needs our services.

Will you help us continue our work which is more critical now than ever?

**Coastal Horizons** is our region's largest provider of children's mental health services. Our mission is to promote healthier lives and safer communities through a continuum of professional services. Please join us to raise critical funds for our mission and to learn ways to identify, intervene, and get help for individuals before they hurt themselves or others.

Nicole Hockley is a Founder and Managing Director for Sandy Hook Promise (SHP), where she leads the organization's work, focusing on communications and outreach efforts.

After the tragic death of her son Dylan, one of 20 first-graders killed at Sandy Hook Elementary School, Nicole is focused on bringing people together in honest dialogue and searching for innovative solutions in the areas of mental health, school safety, community building and gun safety.

# Sponsorship Opportunities
